## BESKRIVNING

IN & BEYOND SWEDEN: På resa genom en konstscen erbjuder fascinerande inblickar i en mångfald konstnärliga praktiker och ett land i förändring. Under två år genomförde curatören Joa Ljungberg och konstnären Santiago Mostyn ett omfattande researcharbete i syfte att belysa den svenska konstscenen. Publikationen, som gjorts i samarbete mellan Iaspis och Moderna Museet, presenterar deras utforskande process och lyfter samtidigt fram en polyfoni av röster från de seminariedagar som samlade konstprofessionella från hela landet.

IN & BEYOND SWEDEN: Journeys Through an Art Scene offer fascinating insights into current artistic expressions from a nation in the process of change. For two years, the curator Joa Ljungberg and the artist Santiago Mostyn conducted comprehensive research into the Swedish art scene. This publication, a collaboration between Iaspis and Moderna Museet, presents their research process, while also highlighting a multitude of voices from the seminars that gathered art professionals from around the country.
