BESKRIVNING

Title: Berattelser om Svenska Krigshistoriens markvardigaste Faltslag. Publisher: British Library, Historical Print Editions The British Library is the national library of the United Kingdom. It is one of the world's largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The MILITARY HISTORY & WARFARE collectior includes books from the British Library digitised by Microsoft. This series offers titles on warfare from ancient to modern times. It includes detailed accounts of campaigns, battles, weapons, as well as the soldiers and commanders who devised, initiated, and supported war efforts throughout history. Specific analyses discuss the impact of war on societies, cultures, economies, and changing international relationships. ++++The below data was compiled from various identification fields in the bibliographic record of this title.
